

BIO-ORGANIC CATALYST  
THE POWER IN NATURE®

# PHYTO-C<sub>3</sub>™ ORGANIC

## Bio-Catalytic Water Treatment

### Areas of Application:

- Irrigation Water Conditioner
- Plant & Microbiome Enhancer
- Composting and Odor Treatment

### Preparation of Liquid Concentrate/Ready-to-Use:

- Empty contents of pouch into 5 gallon (19 liter) container.
- Add water & attach lid.
- Mix contents gently to uniform consistency.
- Use directly from the container, preferably with pump.

### Dosage Recommendations:

**Gardens:** Add 1oz. into 2.5 gallon (9.5 liters) water bucket. Apply once a month.

**Fields & Orchards:** Add 3.5 oz. (104 ml) into 25 gallons (95 liters) of water. Apply once a month.

**Irrigation Systems:** Add 32 oz. (1 liter) per acre for initial clean-out of system. Leave overnight, and flush following day. Thereafter, inject 4 - 6 ppm into irrigation line on continual basis.

**Center Pivot Systems:** Apply 32 oz. (1 liter), per hectare (2.5 acre), four (4) times a season.

**Contents:** Organic plant derived surfactants, highly purified yeast extracts, citric acid.

**Caution:** Keep out of the reach of children. If product splashes in eyes, rinse well with water.

Phyto-C<sub>3</sub>™ Organic has been approved for use in organic operations.

Product suitable for use in Organic Farming in accordance with [as appropriate: *Regulations (EC) No 834/2007 and 889/2008 and/or the NOP Regulation and/or the JAS Regulation*].
