

Clear-Cat™ Aquaculture is a breakthrough water chemistry that addresses the fundamental operational challenges in all aquaculture production facilities.

Clear-Cat™ Aquaculture increases dissolved oxygen (DO) levels in the water column, enhances water clarity (TSS), mitigates fouling of filters and media, and reduces ammonia levels in the water.

Clear-Cat™ Aquaculture creates highly reactive nanobubbles that increase oxygen transfer within water, thereby substantially reducing aeration energy usage.

Clear-Cat™ Aquaculture nanobubbles act to dissolve both biological and inorganic fouling in filters and media, allowing for maintenance of very clean systems, which prevents pathogenic conditions.

Clear-Cat™ Aquaculture is synergetic with aeration and filtration systems.

- Reduces aeration energy usage.
- Improves water clarity.
- Reduces ammonia levels.
- Cleans fouling of surfaces and filters.
- Reduces mortality rates.

AUTHORIZED DISTRIBUTOR

SEAL OF SAFETY

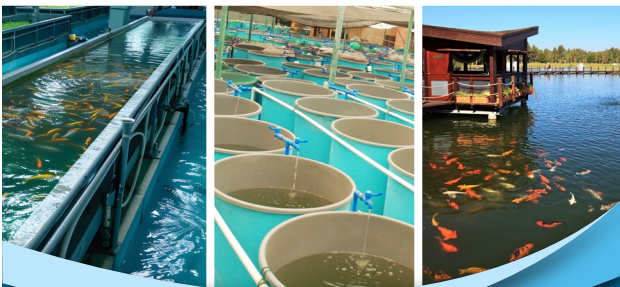

The Bio-Organic Seal of Safety™ is our commitment to offering innovative biocatalytic solutions in water treatment.

BIO-ORGANIC CATALYST
THE POWER IN NATURE®

CLEAR-CAT™
AQUACULTURE

Bio-Catalytic Water Treatment

Net Content:

- 2.5 Gallons/10 Liters
- 55 Gallons/208 Liters
- 275 Gallons/1041 Liters

DOSAGE RATES

Aquaculture Operations: 1 – 3 ppm (parts per million) of water volume, 1 mL to 1 cubic meter of water. Dosing should be managed based upon maintaining optimal dissolved oxygen (DO) levels in the water column.

PRODUCT SPECIFICATIONS

Clear-Cat™ Aquaculture is non-toxic, non-caustic, and safe to handle.

Recommended Shelf Life: 2 years.

Storage Temperatures: Minimum 2°C, Maximum 50°C.

CONTENTS

Water, highly purified yeast extracts, non-ionic surfactants.

CAUTION

Keep out of the reach of children. If product from this container splashes in eyes, rinse well with water.

SAFETY DATA SHEET

A Clear-Cat™ Safety Data Sheet is available through the BOC website at www.bio-organic.com. Please read the Safety Data Sheet carefully and follow all directions when using or handling this product.
